

The logo for AGN P.W.P.H.U. is positioned in the upper right corner. It features the letters 'AGN' in a large, white, stylized font where the 'A' and 'G' are connected. Below 'AGN', the letters 'P . W . P . H . U' are arranged in a single line, separated by dots. The background of the entire image is a lush green park with trees and a modern white pavilion on the left. In the foreground, a grey metal fence with a diamond-patterned lattice is visible, and a stone wall with a similar lattice pattern runs across the middle. A small black cat is sitting on the ground near the stone wall.
